【Information on Usage of Equipment , Furniture and Provision of Display Material】

Please confirm before applying to use equipment and furniture or have display material provided.

1. Discuss usage plan

Please have an in-depth meeting with your coordinator regarding your event at least 1 month before the usage start date. Please bring the program, venue layout, list of items to be provided, loading/unloading plan, and notification and application forms to this meeting.

*Please read and confirm the "Emergency Preparedness Plan" for response in case of an emergency.

2. Ordering

Please determine your required arrangements at least 2 weeks before usage start date. The details and amounts listed in the "final estimate" created based on this will serve as final confirmation of your order.

*Please be aware that we may not be able to arrange some items for you after this deadline.

3. Changes and cancellations

You will be charged a cancellation fee for cancellations and changes in the details of your arrangements.

- Operators and other personnel costs: 100% of charges starting 2 weeks before work start date.

- Equipment, furniture, display material, etc.: 100% of charges starting 1 week before usage start date.

*An earlier cancellation fee (100% of charges) may occur for specialized arrangements.

4. Fee revisions

If we cannot provide an item listed on rental fee chart or estimate due to a revision in lineup or service features, we will explain the circumstances in advance and provide an equivalent or superior item to what was initially planned. Fees will be charged based on the most recent rental fee chart.

5. Moving items to another venue

Please do not move provided equipment, furniture, or display material outside the hall or meeting room they are set up in.

6. Returning to original condition

When your rental period is concluded, please return the items promptly in the same condition as at time of rental.

If you damage, deface, or lose equipment or furniture, you will be liable for damages.

7. Bringing your own equipment

Equipment, furniture, and display material may not be brought in from outside. Due to concerns about facility maintenance and safety management, we will provide these items via designated suppliers who have received instructions from us.

However, this may be permitted in special cases when strong need is recognized. Due to concerns about facility maintenance and safety management, this must be performed in the presence of our staff and a supervision fee will apply. We will also charge a service fee based on details and scale when handling these special arrangements.
